## Work Experience

### Psychometrist | 2014 - current

*Dr. Robert Storms - Snellville, Ga*

As a psychometrist I administer psychological tests, interpret the scores, and write reports on disability claimants. I work with the vulnerable population sometimes handling managerial tasks like determining when to test and when not to.

- Graduated successfully with a Bachelor of Psychology and am currently studying Clinical Psychology in graduate school with a 3.9 GPA.

### Hospice worker | 2016 - 2017

*Monica M. Laguaite - Tucker, Ga*

served the geriatric population and showed compassion, empathy, and care. I visited with people from diverse backgrounds and cultural differences and supported them and their families.

- I volunteered At Crossroads Hospice for one year working with the Geriatric Population and provided much needed support for their families.

### Pool Technician | 2012 - 2014

*Jim Murphy - Snellville, Ga*

cleaned pools, maintained chemicals, and repaired equipment.

- I learned how to manage pool equipment, gained strong customer service skills, and worked on my own without 100% attendance and 0% complaints.

### **Pool Technician | 2010 - 2012**

*Kobert Bauberon - Snellville, Ga*

responsible for pool equipment, cleaning pools, repairing equipment, and maintaining chemicals. Often, I would be assigned to acid wash pools, prep pools for re-plastering, and help with installing liners.

- I Worked on my own, with a helper, and on large projects requiring extreme labor, overtime, and even working on weekends and holidays.

### **Security Guard | 2009 - 2010**

*Lee Cantrez - Snellville, Ga*

Worked in restaurants, bars, clubs, and event halls ensuring the safety of the people at those locations. Many times, I prevented gang fights and bar fights.

- Deescalated conflicts using ethical measure of force and prevented people from injuring themselves or others which brought more business to the company.

### **Shipping manager | 2008 - 2009**

*Rich Anderson - Snellville, Ga*

Shipped diabetic shoes and supplies with custom made insoles and urgently needed diabetic supplies that had to be shipped immediately.

- Shipped diabetic shoes and supplies, that are time sensitive and highly personalized products, to individual clients around the southeastern area of the United States.
